ABOUT US

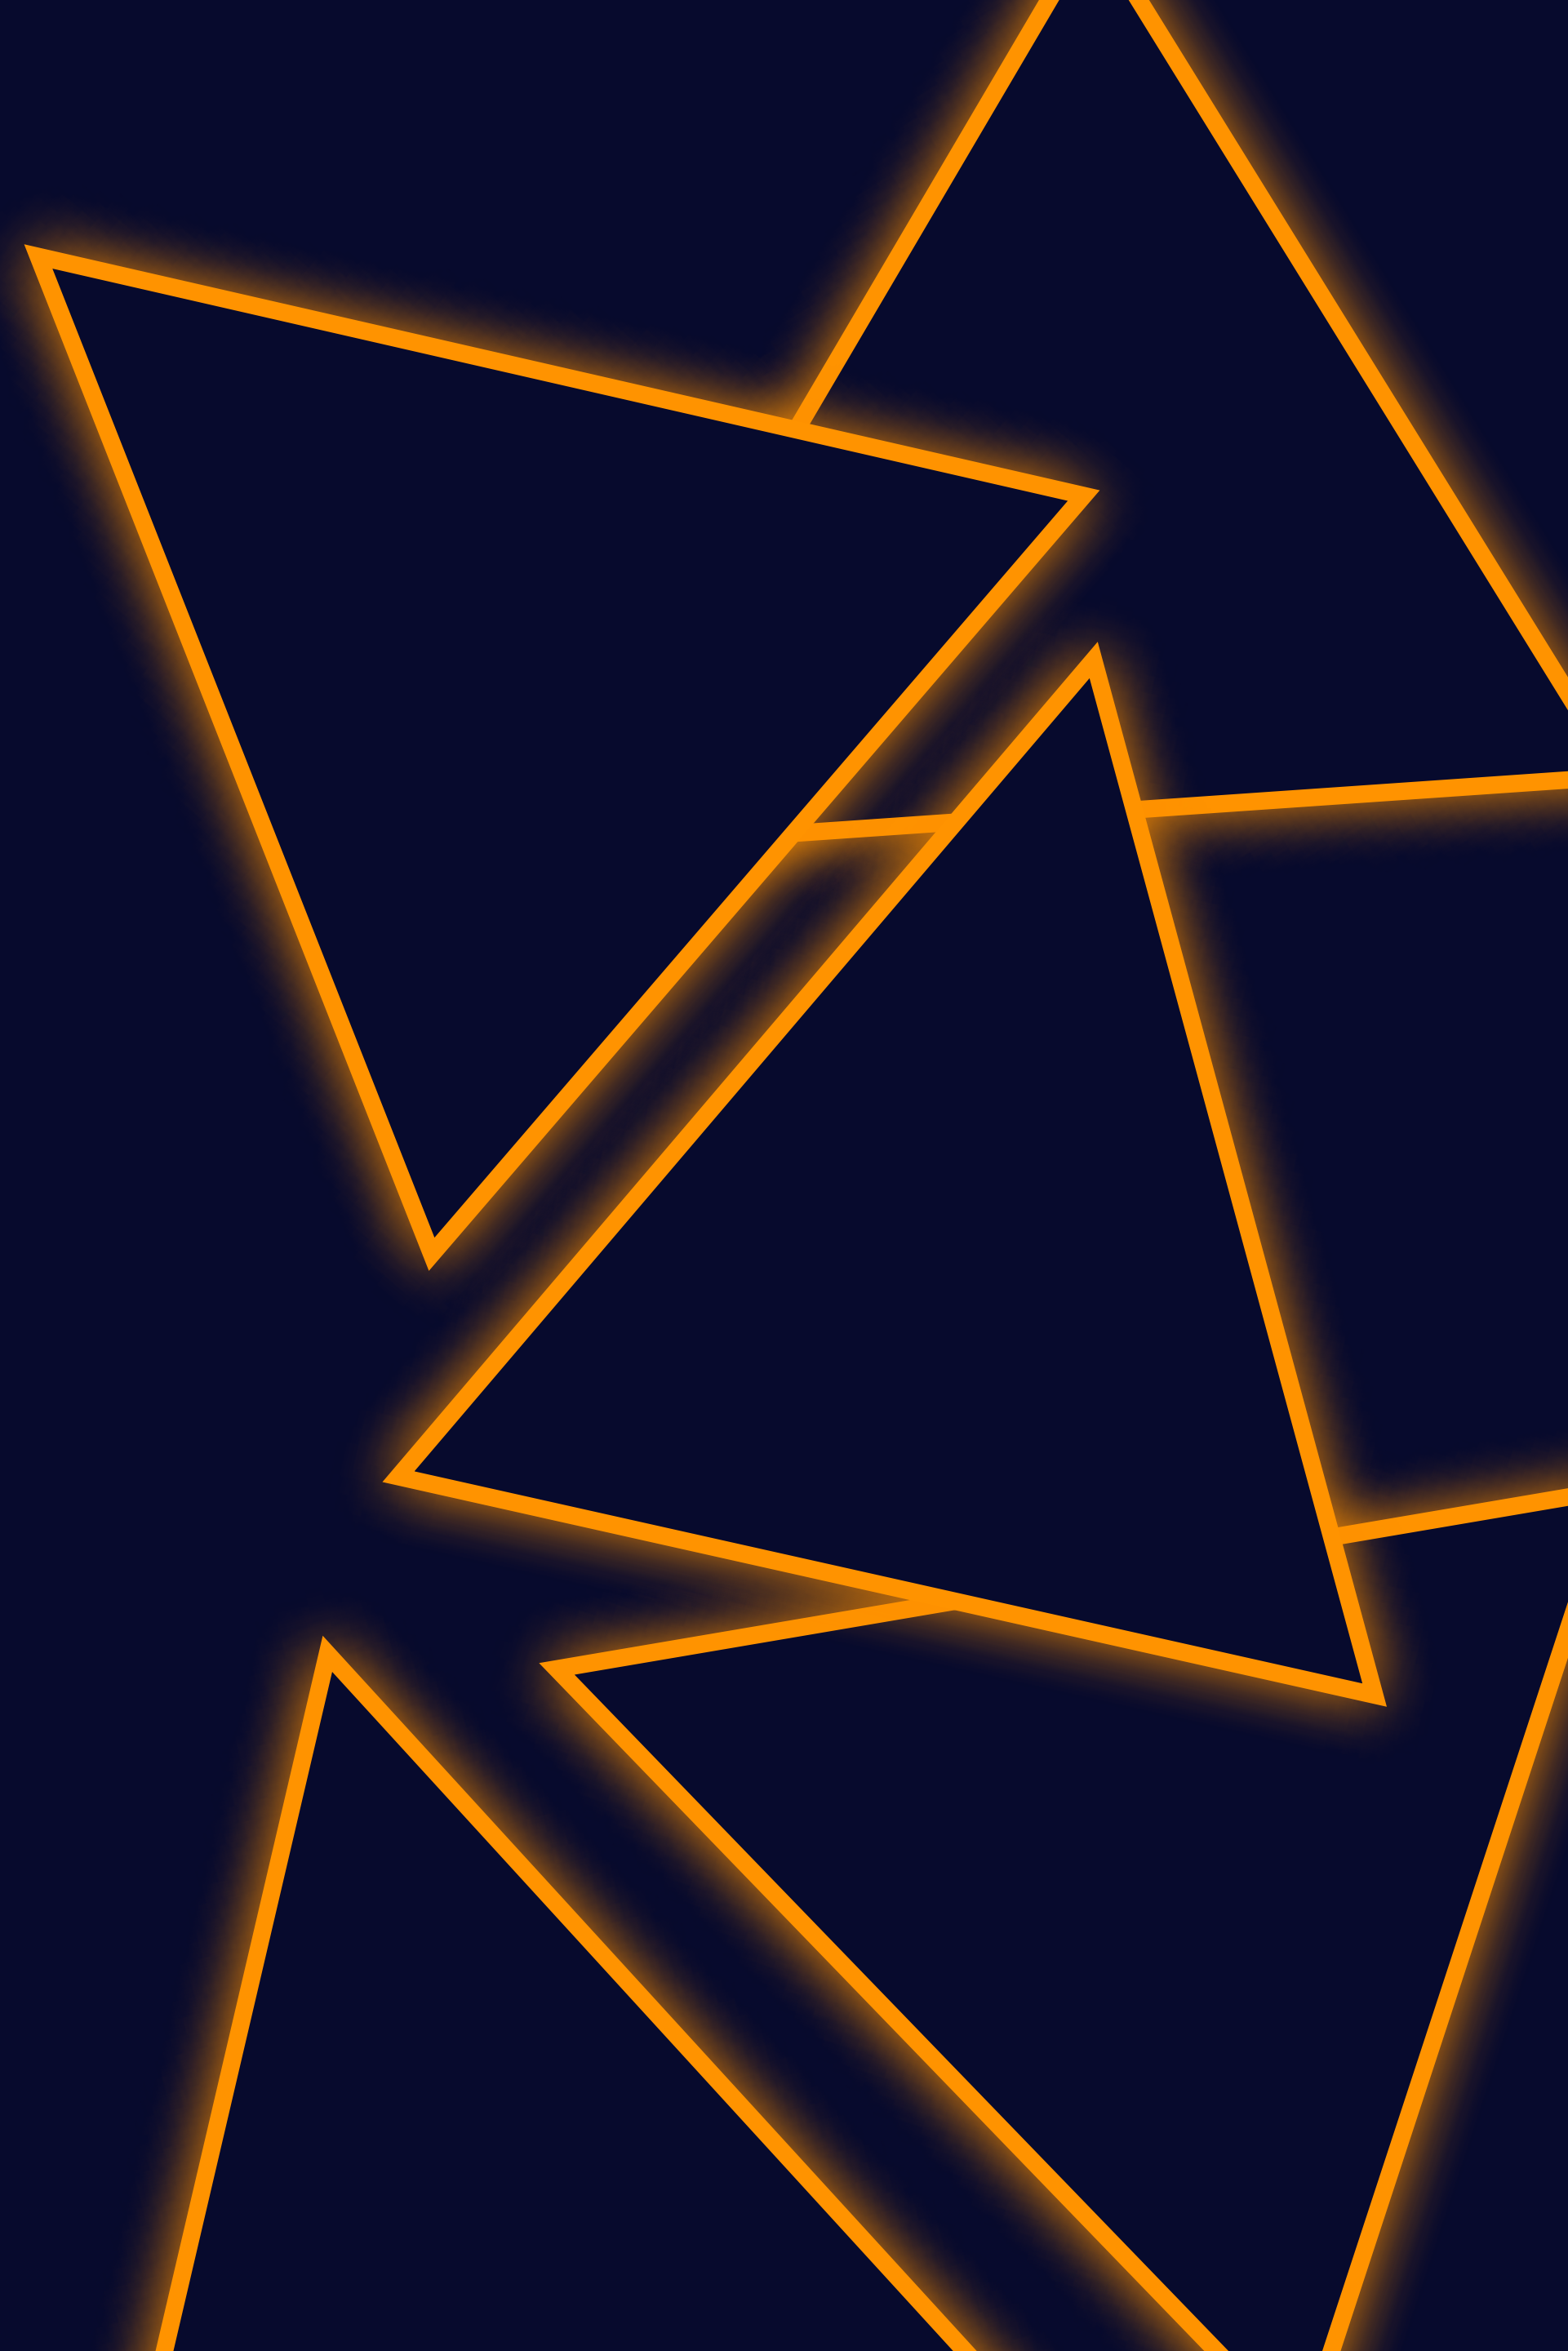

TURN YOUR EVENT INTO MEMORABLE EXPERIENCE

Our **team** includes experts specialized in new technologies, experience design, multimedia entertainment, mixed media art and digital platforms development.

For years we have been creating events, installations and customized projects for public and private entities in **art, architecture, design, fashion, communication** and **entertainment**.

WHAT WE DO

MANY PARTNERS, LIMITLESS OPPORTUNITIES

We collaborate with over 20 digital design studios and new technologies manufacturing companies which operate in the sectors:

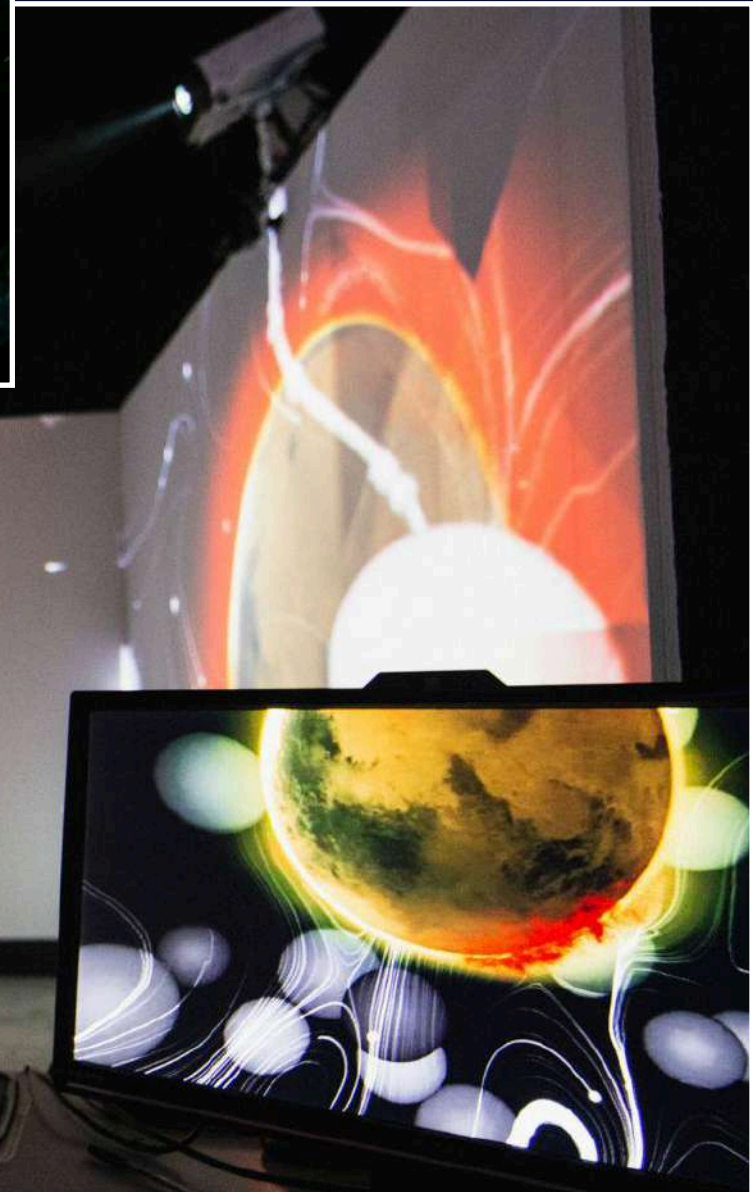

- ▶ Virtual and augmented reality
- ▶ Interaction design
- ▶ Video mapping
- ▶ 3D design
- ▶ Lighting & Sound design
- ▶ Digital platforms

MAKE IT DIFFERENT, MAKE IT BRIGHT

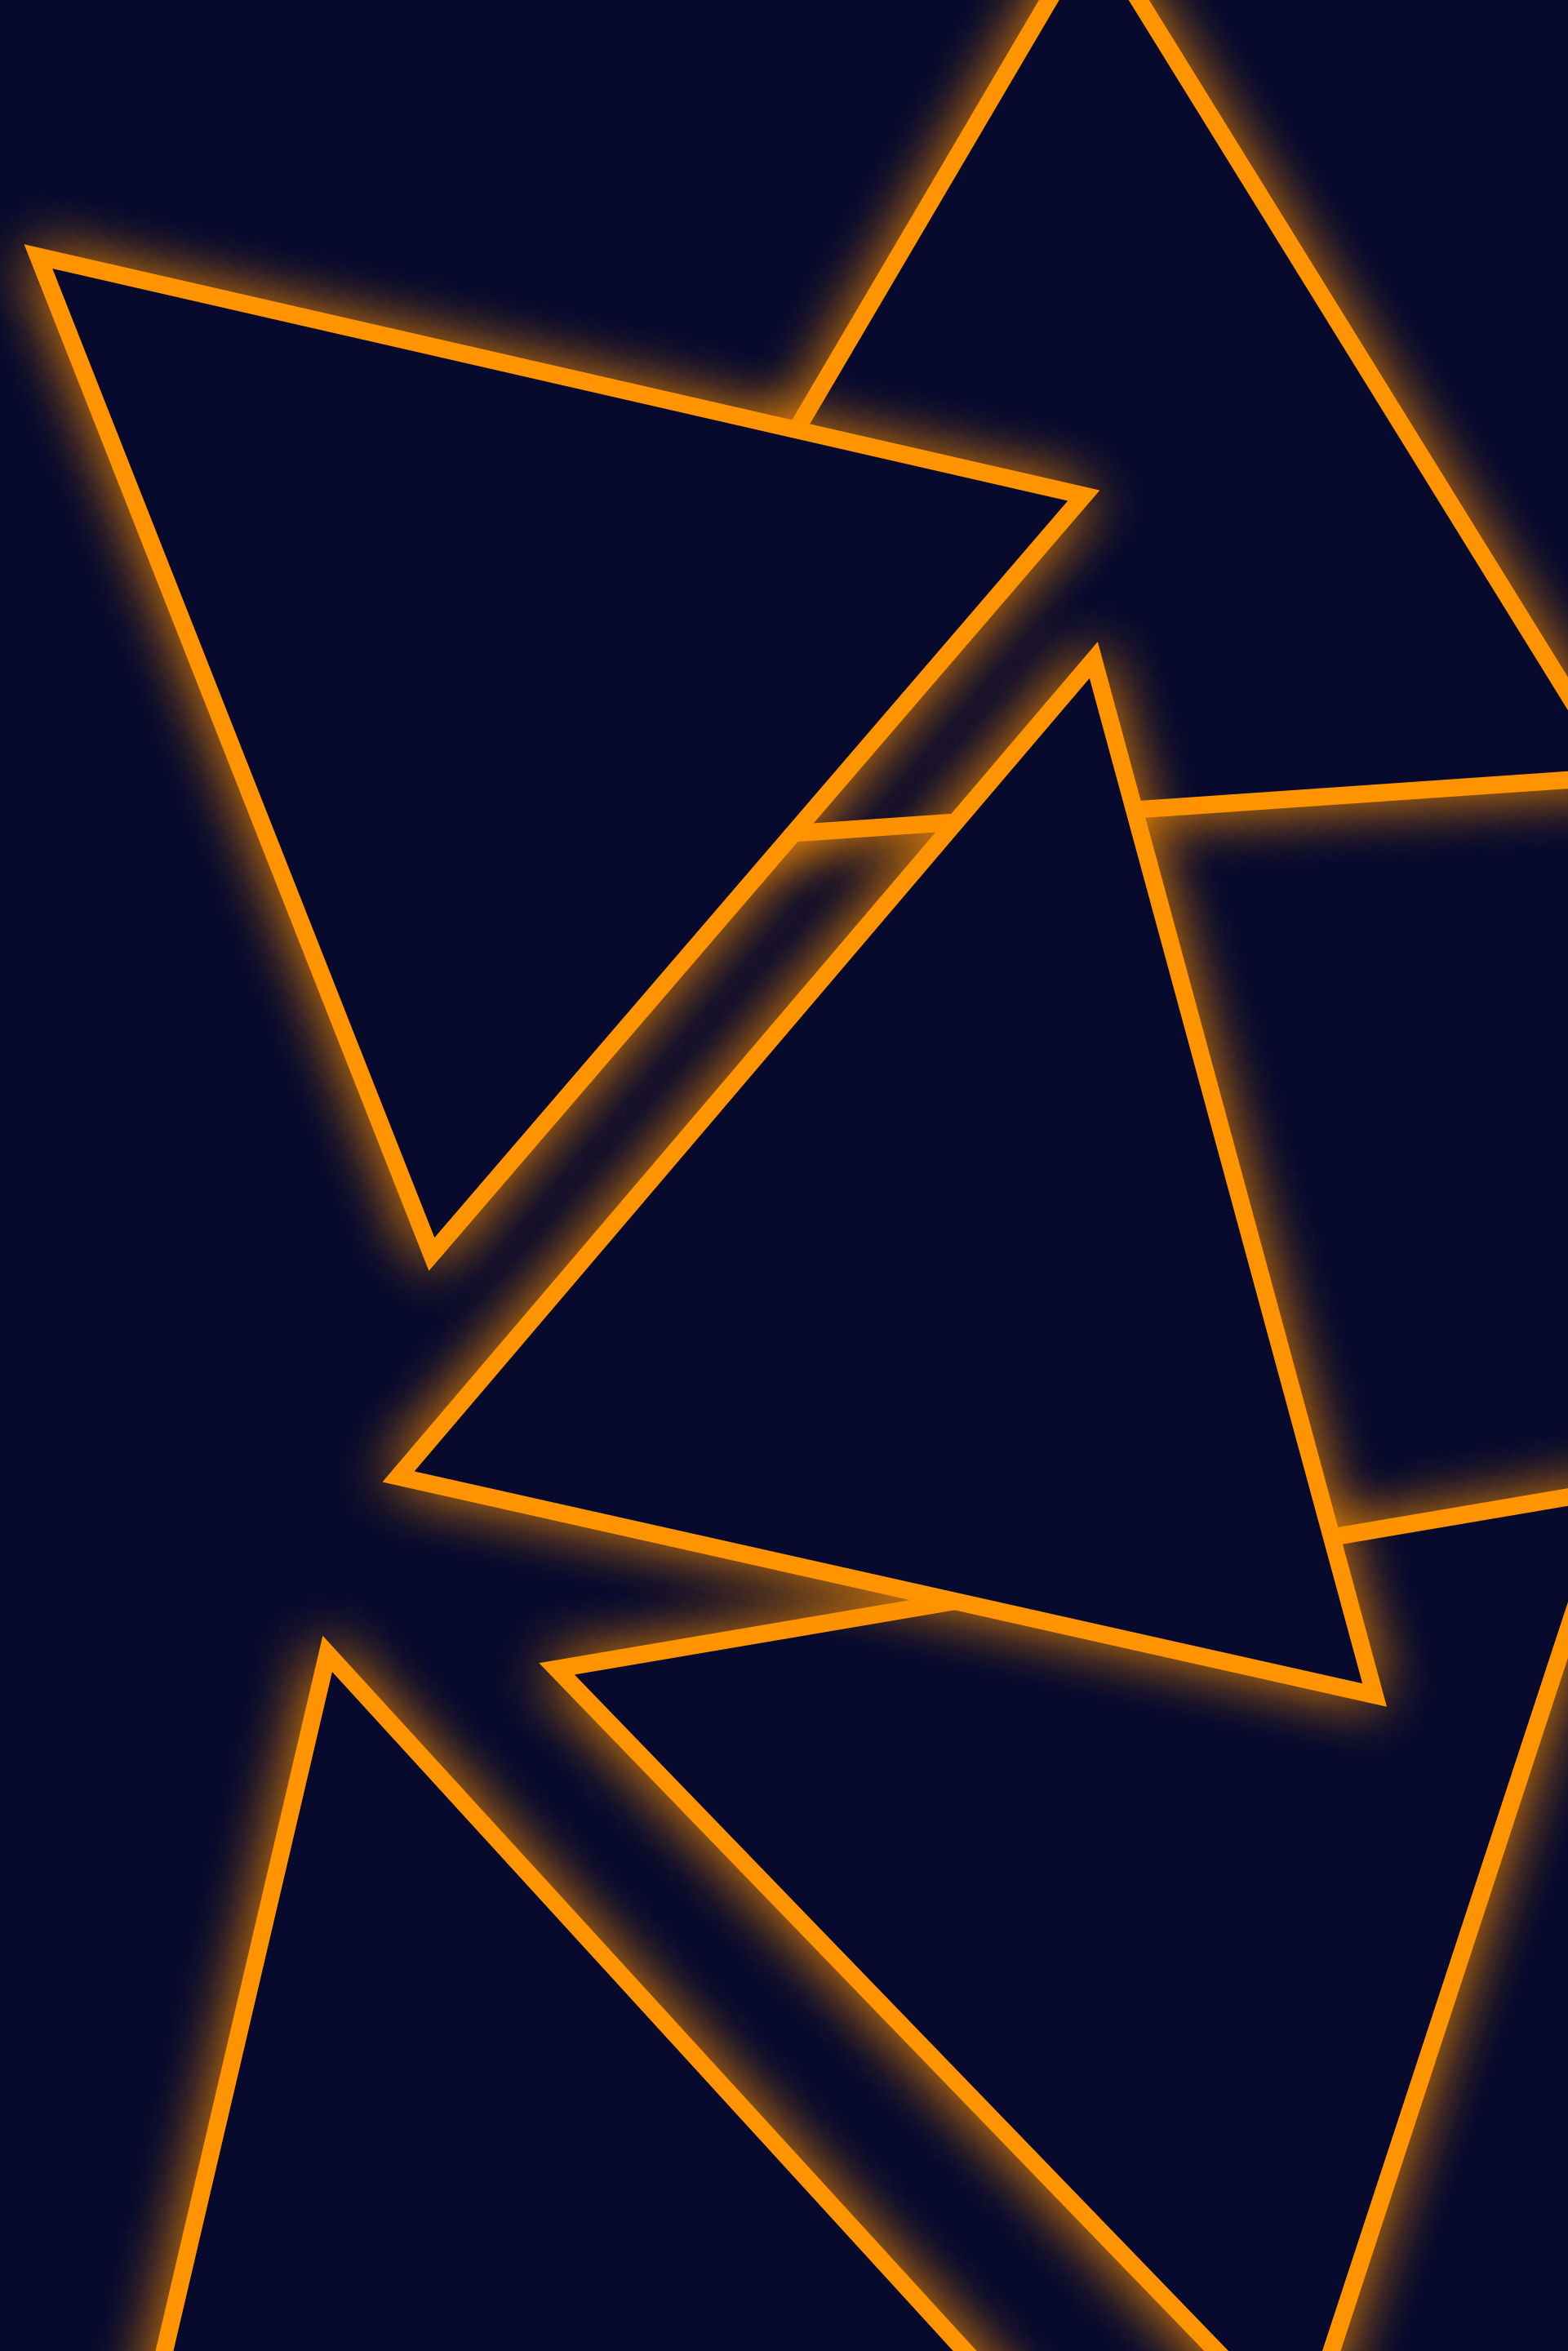

From the content-production to the most suitable technology advice, we assist our partners in the creation of:

- ▶ Digital environments
- ▶ Immersive experiences
- ▶ Conferences and conventions
- ▶ Virtual and online events
- ▶ Interactive installations
- ▶ Entertainment shows

HOW WE DO

IT'S ALL ABOUT FINDING THE RIGHT PARTNER

We develop **customized projects** involving the professional studios and the manufacturing companies most suited to the Partner's needs, in accordance with the most innovative trends in **digital art** and **experience design**.

We actively propose **creative ideas** and **solutions** to amaze users and visitors, we define the project and follow its development step by step, from the brief to the completed work.
